About This Content

Savage Worlds Horrors Companion

Library Module for Fantasy Grounds

Take your Savage Worlds games to new depths of darkness with the Horror Companion. Inside are new rules for playing monsters, signs and portents, buckets o' blood, ritual casting, new spells, sanity, gear, new Edges & Hindrances, Setting Rules, over 100 new monsters, advice on creating and maintaining atmosphere, and MORE!
This tome of terror is essential for anyone running a dark or horrific setting.

New with version 3.2+ of the Savage Worlds ruleset, you can drag any creature or NPC from the Bestiary to your PC window to pre-fill the PC stats for you. That means you can quickly stat out the Nerd, Jock and Chosen Slayer (all included in the Library) and have them battle their way through hordes of nasty creatures from the horror companion.

Requires: An active subscription or a Full or Ultimate license and the Savage Worlds v3.2+ Ruleset.

Requirements
Novice, Strength and Vigor d6+
Description
Your bruiser is very large or perhaps just very fit. His bulk resists damage better than most and adds +1 to his Toughness. In addition, the character can carry more than most proportional to his Strength. He can carry 8 times his Strength in pounds without penalty instead of the usual 5 times his Strength.
BLOODTHIRSTY (MAJOR)
[Hindrance]
Requirements
-
Description
Your hero never takes prisoners unless under the direct supervision of a superior. This can cause major problems in a military campaign unless his superiors condone that sort of thing. Your killer suffers -4 to his Charisma, but only if his cruel habits are known.
